The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$6,500,000 for the Anthony Wastewater Treatment Plant Improvements project in fiscal year 2025. The entity to receive funding for this project is the Anthony Water and Sanitation District located at P.O. Box 1751, Anthony, NM 88021. The project would increase capacity for the outdated wastewater treatment facility in this rural community. The project is a good use of taxpayer funding because it will ensure clean water for a rural community.

The project has a federal nexus because it is authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gabe Vasquez
Member of Congress
