The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$5,000,000 for the Belen Wastewater Treatment project in fiscal year 2025. The entity to receive funding for this project is the City of Belen located at 100 S Main Street, Belen, NM 87002. This project would repair and renovate Belen's outdated wastewater treatment facility, ensuring residents' access to clean water. The project is a good use of taxpayer funds because it provides clean water for a rural community.

The project has a federal nexus because it is authorized under Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gabe Vasquez
Member of Congress
