The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C. 20515

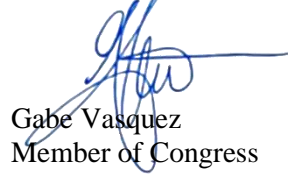

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,500,000 for the Clancy Lift Station Replacement project in fiscal year 2025. The entity to receive funding for this project is the City of Truth or Consequences located at 505 Sims Street, Truth or Consequences, NM 87901. The project would replace the main wastewater transmission line in Truth or Consequences, which is well past its useful life. The project is a good use of taxpayer funds because it will improve clean water for this community.

The project has a federal nexus because it is authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gabe Vasquez
Member of Congress
