More \$\$ in your pocket

Rep. Vasquez is working to bring down inflation and wants your hard-earned money to go farther. He introduced the **Inflation Relief Act**, which would lower taxes for middle-class families to help ease the burden of inflation—**providing the average New Mexican with an extra \$900**. He is also leading the bipartisan **Combatting Rural Inflation Act**.

Cutting from the grocery store

America would go hungry without NM's farmers & ranchers. That's why Rep. Vasquez introduced the bipartisan **Ranching without Red Tape Act** which would reduce burdens on ranchers and the **Farm Workforce Support Act** which would let farmers do what they do best, put food on our tables.

Costs

to the gas station

Rep. Vasquez introduced language on the House floor **prioritizing domestic energy**, ensuring that energy produced in America is used by Americans first, helping keep your costs down.

Bringing Jobs to NM

The key to growing our local economy in New Mexico is supporting new, good-paying jobs throughout our state. That is why Rep. Vasquez introduced the **Economic Opportunity for Border Communities Act** which would target federal investment to areas like Santa Teresa and Sunland Park – which have seen major new manufacturing investments in the past year.

Creating Health Care Jobs

Rep. Vasquez knows that New Mexico needs more doctors and nurses. In Congress, he is leading the **Doctors of Community Act**, the bipartisan **Nurse Corps Tax Parity Act** and more to create more health care jobs and make sure every family can get the care they need.

Supporting small businesses

Rep. Vasquez is working across the aisle to support the **Rural Jobs Act** to increase investment in rural small businesses & the bipartisan **One Stop Shop for Small Businesses Act** to lower administrative costs for small businesses.
