The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,240,000 for the Timberon Water and Sanitation District for Drinking Water System Engineering and Design for Infrastructure Rehabilitation project in Fiscal Year 2027. The entity to receive funding for this project is the Timberon Water and Sanitation District, located at 1 Bob White Circle, Suite 1, Timberon, NM, 88350. This funding would be used for the engineering, design, and professional services necessary to upgrade drinking water pipes in Timberon, New Mexico. The project is an appropriate use of taxpayer funds because it will be essential to the health, sanitation, and security of Timberon.

The project has a federal nexus because the funding provided is for purposes authorized under Section 1452 of the Safe Drinking Water Act.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gabe Vasquez
Member of Congress
