The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. Capitol
Washington, D.C.

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$435,000 for the Lordsburg Public Safety Building Construction project in Fiscal Year 2027. The entity to receive funding for this project is the City of Lordsburg, located at 409 West Wabash Street, Lordsburg, NM 88045. This funding would be used to expand the public safety building that houses the police department and fire department in Lordsburg, New Mexico. The project is an appropriate use of taxpayer funds because it will bolster essential emergency response services for Lordsburg.

The project has a federal nexus because the funding provided is for purposes authorized under section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gabe Vasquez
Member of Congress
